

Yeah, bitter cold temperatures deserve a firing sound. You prolly know the infernal Goncharenko twins already from heavy anthem bangers such as Lekto and other stunning releases on Subdivision/Future Sickness/PRSPCT/Freak and many more.

If not fasten your seatbelts and wear some protection gear, cause it's gonne be a meltdown.

Culture Assault Records proudly presents you "CULTMIX005 – Taking Lifes Mix" done by our fresh new and totally weird DubStep-Artist ValkyR. He lives in "Champs sur Marne" near Paris and was born in September 1990. He first started producing BreakBeat & DnB in late 2006 but since the Year 2008 he found his dark, disturbing and icy DubStep-Style which is now framed into this beautiful Mix! Watch out for his first Release "CULTDUB002 - Taking Lifes", including 6 sick DubStep Tunes which is going to be released on Culture Assault Records soon!!
