

Hi there dubheads. We have great news for CULTDUB. As the label gets bigger and bigger what we have started as a sublabel is now growing into a own quite independent monster. Especially thanks to the great deal we are having with the espanol management LOOP STEPWALER and ALVARO aka REDUB aka EXFIRE. We signed great releases from top notch artists and the CULTDUB is becoming a big filthy and joined family, ready to have its impact to the world of dubstep.

So to let you all enjoy the filth we've been cooking up, we've decided to give the CULTDUB003

// Filthy Culture away for free!!! 4 Bangers we love, and we want to share with you, our beloved cultists.
