

Guess who showed up this lovely friday afternoon while I was to make my brain bleed listening to the Filthcast004?!! Yeah, you got it right. It's the first one of more to come FREECULTASS download releases you'll find exclusively for free on culture-assault.net for all the registered users.

FREECULTASS001 offers 4 proper dnb tunes of different shade featuring a spanish rock lasting collabo between n-Krö from Granada, Darkbasser (Mallorca) and Mano-low named "Still Dead". Talking of rockish dnb tunes Shintuza's "Servants Of God" is perfectly matching that style too and making clear way for the Italian Asiago dnb Highlander Hellspawn Project providing those two harshkicking tracks "Headache Grey" & "Invisible Monsters".
