

Once again CULTURE ASSAULT RECORDS hits you up with their brand new FREECULTASS005 Domination EP by two newcomers from Russia called Terror[east] and TRN18. Be prepared for sickness that has never been that hard and destroying! Those two free tunes will pick your feed from the ground and throw you on top of the dance floor! Heads will be forced to bang like back in the days when we were freaking out to good old metal music!

Some kind words about them two Russian newcomers which are responsible for those two bangers offered to you for free: Terror[east] is one of the most enigmatic, merciless and cruel artists of the modern and nowadays Drum'n'Bass scene. The image, reflective of his true essence, thirst of madness, hatred in his heart and anger in blood makes his tracks more than just music, they are an expression of his spiritual, emotional and physical state. Destructive energy fills all up to the subconscious. He makes electronic Drum'n'Bass more alive. And then there is this guy called TRN18: The tsunami of energy and drive - dynamical, broken rhythms - dark basses and moods - blowing your head right away – it's all TRN18.
